FAQ'S:

Q: What do I turn into the coach?

A. If you are playing a sport/activity for the first time in the school year, you will need to turn in a current physical. In most cases you will not need to turn anything into the coach unless the coach has some additional expectations (team rules, money for shoes, etc.).

Q: What if I don't want to pay online?

A. You have two options for paying your Athletic Fee: 1) Pay online using a checkbook or credit card, or 2) bring a cash/check payment to the High School Office.

Q: When is the deadline to turn all items in?

A. All participants must have a current physical, athletic fee, and online registration completed by the second day of practice. Participants will not be allowed to practice until all 3 items are completed.

Q: Do I have to pay an Athletic Fee for every sport?

A. No. The Fisher School district has a 2 sport cap on Athletic Fees. Any students participating in a third, fourth (or more) sport will not need to pay an Athletic Fee.

Q: I don't have a computer. How can I register online?

A. You can make arrangements with the High School office to come in and complete the Online Registration any time between 8 AM – 4 PM on school days. Coaches can also provide access to school computers during the Parents Meeting.

Q: When can I register online?

A. Right now! You can register for any activity once the new school year opens online in July. You do not have to wait until the beginning of the season to register.
